The New Jersey Gladiolus Society will hold its second annual exhibition at Plainfield, N. J., in Amusement Hall, Aug. 21st and 22nd, and every "GLAD" lover should attend and if possible make an exhibit.

Join with us and help place before the public this peer of all summer flowers.

It's going to be one grand show. Members are admitted free, therefore join the society at once. It costs but \$1.00 per year, sent to W. Evans Smith, Secy., Pitman, N. J.
